PROFILE

I'm Bansari Shah, a skilled professional with over five years of experience in printing, graphic design, UI/UX, and motion graphics. I can create captivating visuals that help your brand stand out and engage your audience effectively.

WORK EXPERIENCE

- Junior Graphic Designer**
Ecotic Wallpapers Pvt. Ltd. & Sixpacks.com
April 2017 - June 2018
My primary expertise lies in working with both printing media and social media.
- Graphic Designer**
Go Create It
June 2018 - Jan 2019
I have predominantly worked in printing media.
- Senior Graphic Designer**
Neuberg Supratech Pvt. Ltd.
Feb 2019 - Nov 2021
As a senior graphic designer, I have extensive experience handling various types of graphic design projects, including video creation, website design, social media graphics, and more.
- Freelance Graphic Designer, Motion Graphics Designer & UI/UX Designer**
March 2022 - Present
A freelance graphic designer creates visual assets, branding, and marketing materials. A UI/UX designer focuses on user research, information architecture, wireframing, and crafting intuitive and visually appealing digital interfaces.
